The European Conference on Crop Diversification will take place from September 18 to 21, 2019 in Budapest, Hungary. The conference will explore how we can achieve the full potential of cropping system diversification for improved productivity, delivery of ecosystem services and resource-efficient and sustainable value chains. The deadline for submission of abstracts has been extended to February 28, 2019.

The conference is being held by the H2020 crop diversification cluster, which is made up of six multi-actor projects working on crop diversification: [DiverIMPACTS](#), [Diverfarming](#), [DIVERSify](#), [ReMIX](#), [LEGVALUE](#) and [TRUE](#).

## Registration

Registration is now open through the online registration site. The deadline for early bird registration is May 31, 2019
